## 21st Foundation Day of RGCIRC, Rohini

RGCIRC celebrated its 21st Foundation Day on Saturday, 7th October 2017 at Hotel Crowne Plaza, Rohini, Delhi. The function was attended by more than 500 RGCIRC family members including Governing Council and Management Committee along with Sr. Consultants and other employees.

A pre - annual day function also celebrated on Friday, 6th October 2017 at Ashray, RGCIRC's Guest House where awards of long standing contribution and dedicated service, outstanding performance, cricket tournament etc. were given.

As per the tradition, the cultural programme was organized, which was very well appreciated by the gathering. Apart from cultural programme, RGCIRC felicitated Mr. R. K. Ahooja, Governing Council Member and Dr. Dinesh Bhurani, Director – Haematology & Bone Marrow Transplantation for their remarkable contribution in RGCIRC which was followed by cultural programme and award ceremony including chairmen's appreciation award, best resident award, clinical IT implementation award, best ward award etc. The entire function was celebrated with great enthusiasm and team spirit.

## RGCIRC, Announced First Epicentre in India by Da Vinci for Learning of Robotic Surgeries

We are happy to announce the opening of first Epicentre in India for Robotic Urology Case Observation Site in National Capital, Delhi, featuring Dr. Sudhir Kumar Rawal, Medical Director and Chief of Uro - Gynae Surgical Oncology, RGCIRC. The Epicentre Certificate was presented by eminent leaders of Intuitive Surgical to Dr. Sudhir Rawal and Mr. D. S. Negi, CEO.

Epicentre is a Global Reference Site for da Vinci Robotic Surgery where surgeons across globe can visit and observe quality cases to get motivated to start Robotic surgeries or learn tips and tricks of Robotic Surgeries, getting convinced on the value props and economic viability of da Vinci.

## Breast Cancer Survivorship Meet “Perna”

RGCIRC organized a breast cancer survivorship meet “Perna” on Saturday, 28th October 2017 at RGCIRC, Niti Bagh, Delhi. The get together was designed with the intent of bringing the survivors together and giving them an opportunity to share and connect with those who have been through the same experience, as also to increase awareness.

## Celebrating Life 2017

The Department of Pediatric Hematology Oncology of RGCIRC organized a childhood cancer survivorship program “Celebrating Life 2017” on Saturday, 18th November 2017 at Hotel Crowne Plaza, Rohini, Delhi with its focus on raising awareness among the childhood cancer survivors about ways to stay healthy after beating it. The event was marked with an introductory note on “Staying Healthy after Childhood Cancer” by Dr. Sandeep Jain, Consultant - Pediatric Hematology Oncology.

The get together was designed with the intent of bringing the survivors together and giving them an opportunity to share and connect with those who have been through the same experience, as also to increase awareness. This created an environment of trust and support for the children who have survived this disease and their family.

The event was marked with a series of dance performances by children, a career counseling session, life skills session by a professional, and a musical performance. The survivors and their families received knowledge and information in an environment of fun and relaxation in stalls that offered Body & Nail Art, Tattoos, Selfie Clicking and a Career Counseling Desk to help them explore options for a bright future. The cultural program ended with an exhilarating fashion show where the participating children and young adults walked the ramp with fervor and confidence; defying all odds. At the end closing remarks and vote of thanks were delivered by Dr. Gauri Kapoor, Medical Director - RGCIRC, Niti Bagh and Director - Pediatric Hematology Oncology.
