Dear Friends,

Greetings from Rajiv Gandhi Cancer Institute & Research Center, Delhi

It gives us immense pleasure to invite you all to **"DOA-1<sup>st</sup> Orthopaedic Oncology CME"** to be held on Sunday, 21<sup>st</sup> July 2019 at India Habitat Center, New Delhi organized by Delhi Orthopaedic association and co-hosted by Rajiv Gandhi Cancer Institute and Research Centre and IMSOS.

Primary bone sarcomas pose a diagnostic challenge more often than not and the impact of wrong procedures in these tumors cannot be overemphasized.

Orthopaedic Oncology has undergone a major shift from purely a surgical based practice to multi-disciplinary groups for the management of bone sarcomas. This CME highlights the role of Ortho-Radio-Patho (ORP) sessions as well as of multi-disciplinary groups (Sarcoma tumor board) in diagnosis and treatment of these malignancies.

The content of the program is targeted towards residents and practicing orthopaedic surgeons. The CME has few focused lectures followed by ORP sessions/ Panel discussion to enhance case based learning.

**Highlights of the meeting include:**

- ORP sessions on Diagnostic pitfalls in Sarcomas & GCT
- Panel discussion on management of bone sarcomas and reconstruction options
- Quiz for resident doctors
- Poster presentations

We look forward to your active participation. Program brochure and registration details are available on the website [www.rgcirc.org](http://www.rgcirc.org)

Only limited seats available, so kindly register as soon as possible.

**Please send your entries for Poster / Quiz on [1orthocme@gmail.com](mailto:1orthocme@gmail.com) before 10<sup>th</sup> July, 2019**

For Online Registration kindly visit [www.rgcirc.org](http://www.rgcirc.org)

## SCIENTIFIC PROGRAMME

Time	Topic	Speaker / Moderator
08:30 am onwards	Registration	
<b>09:15 am - 10:30 am</b>	<b>Session 1 - Giant Cell Tumors</b>	
09:15 am - 09:30 am	<b>Denosumab in GCT - Boon or Bane</b>	Dr. Ashish Gulia
09:30 am - 09:40 am	<b>Curettage in GCT- Video presentation</b>	Dr. Sudhir Garg
09:40 am - 10:30 am	<b>ORP Session 1- GCT</b>	Dr. Akshay Tiwari
<b>Panelist</b>		
Surgery	Dr. Ashish Gulia, Dr. Sudhir Garg, Dr. Rajat Gupta, Dr. Lalit Maini, Dr. S. Kapoor Dr Sunil Pasricha	
Pathology	Dr. Vivek Mahawar, Dr. Sri Ram Rajan	
Radiology		
<b>10:30 am - 12:00</b>	<b>Session 2 - Diagnostic Pitfalls in Sarcomas</b>	
10:30 am - 10:45 am	<b>Suspected bone neoplasm - How to go ahead?</b>	Dr. Sudhir Kapoor
