## Invitation

With great pride and honor, the Department of Nursing at Rajiv Gandhi Cancer Institute and Research Centre (RGCIRC) Delhi, announces a two day National Nursing Conference to be held on 1st and 2nd November 2019 at Hotel Crowne Plaza, Rohini, Delhi -110085.

The Theme of the conference is Burden of Cancer **“Battle Together: Challenges, Possibilities, and Innovations in Cancer Care”**

Oncology Nurses care for people of all ages who are diagnosed with cancer. Oncology is a challenging field in which Nurses support patients, families, and caregivers through the stress of diagnosis and treatment, and the anxiety of many uncertainties brought on by the disease, including facing mortality.

Advanced scientific developments in Oncology leads to changes in how we treat and care for patients with cancer. These changes bring innovations to Oncology Nursing also. There are many clinical and contextual factors impacting Cancer Nursing Care in the twenty-first century.

In this background, the Department of Nursing of RGCIRC has planned the Academic Feast for Nursing Fraternity. We cordially invite you to participate in this event and make the most use of the vast knowledge and experience of the learned faculty. This is an opportunity for all nursing colleagues as well as nursing trainees to update themselves.

We look forward to maximum participation from your prestigious Institute/Hospital in the program. You are requested to register early.

Thank You

Warm Regards,

**Lt. Col (Retd.) Madhumita Dhall**  
**Chief of Nursing**  
**Chairman Organizing Committee**  
Mob: +91-96505 53329 | Tel.: +91-11 4702 2507

- Ms. Anju Aggarwal  
DM Nursing - RGCIRC

### Conference Secretariat

- Ms. Sunidhi Kohli  
Conference Executive - RGCIRC

## About RGCIRC

Rajiv Gandhi Cancer Institute and Research Centre (RGCIRC) is a visionary project of Indraprastha Cancer Society, a not for profit public society managed by a group of socially responsible selfless philanthropists, aimed at providing best cancer care to those who need it. The vision of our founder members is "To prevent and treat cancer by providing affordable oncology care of international standards in India".

The philosophy of RGCIRC is to constantly strive towards excellence in cancer care through a combination of the latest technology, competent personnel, and human touch. RGCIRC offers comprehensive services from prevention to palliation at an affordable price.

Rajiv Gandhi Cancer Institute and Research Centre is today counted amongst Asia's premier exclusive cancer centers that offer the unique advantage of cutting edge technology, put to use by renowned super-specialists. This potent combination of man and machine ensures world-class cancer care to not only patients from India, but also from the neighboring SAARC countries and others. We are fortunate to have taken care of over 2.5 Lakh patients since inception in 1996. The Institute has been accredited by NABH and NABL for its quality of services, certified by Nursing Excellence and Green OT Certifications.

The Institute offers super specialized tertiary care services in Medical, Surgical and Radiation Oncology, streamlined into dedicated Site-Specific teams. Super Specialists at RGCIRC practice an Organ-Specific Multi-disciplinary approach to cancer diagnosis and treatment, with the Tumor Board acting as a second opinion clinic for cases that are more critical than others.

Nursing at RGCIRC has a proud reputation for providing specialized care and comfort to patients diagnosed with cancer. Oncology nurses work together closely with doctors to ensure patients and their families experience compassionate care as well as access to the latest cancer treatments. Oncology services also include access to support group and education programs to assist patients and their families.

"We take care of all details to make sure that Patients journey is as simple and stress free as possible"
